Important Things to Know

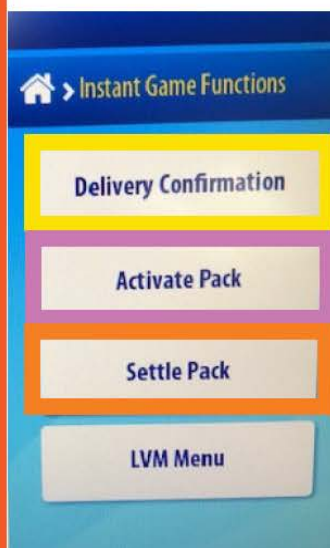

IDENTIFYING THE OLDEST PACK

When looking at two packs of the same game, the oldest pack is the lowest pack number.

For example, 866 is the oldest pack and should be activated first.

Always activate oldest packs first.

1ST- CONFIRM DELIVERY

Confirm delivery on all new orders as soon as you receive them.

2ND - ACTIVATE

Activate all packs before selling.

3RD - SETTLE

Settle the packs when the pack is about gone. This will allow you to receive new packs sooner.
